## **Important Information about Procedures for Opening an Account**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means to you: When you open an account with Unity Bank of Mississippi, we will ask for your name, address, date of birth and other information that will allow us to identify you. We will also ask to see your driver's license or other identifying documents.

While we will know many of you that come in to open an account, we will require these documents to open your account. We apologize for any inconvenience this may cause; however, Federal law prohibits us from waiving these requirements
